Little chicken, eastercrisis

Material:

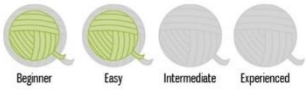
*8/4 cotton yarn. Yellow, black and orange

*2 mm hook

*sciccors

*tapestry needle.

Skills:



Body and head x2 with yellow yarn

1. Ch 3, 14 dc in a mc ring
2. 1 slst in the first dc. (Ch 1, 5 hdc, 1 sc, 1 slst) in the same dc. Take of the tread. Leave a long tread to be able to sew around the chicken

Eyes with black yarn

I took black yarn and made a knot. Sew the tread on the other side and made a knot there and cut of the yarn. Made the same thing on the other piece.

Sew the two pieces togheter. When you get to the part where the tail is going to be, you pull the thread through and make a ch1, sc, and a slst the same dc. Take the thread through and continue sewing. Before I sew the lower part I made the thread for hanging, and made a knot.

Beak with orange yarn

Ch1,1 sc and a slst in the same hdc (the 3rd hdc)

Wings x2 with yellow yarn

Ch 4, in the 2nd ch from hook make a sc, Slst in next 2 ch's, take the thread off and fasten to body

Legs with orange yarn

I just pulled a thread through and made a knot, at the footend.
